Friday 8th January

Dear Parent/Carer

From Monday 11th January we will start remote learning for your child on Google Hangouts.

Your child will need to attend one of the below Google Hangout sessions each day and complete the work which will be set on the Hangout. This will also be emailed to you.

Please attend **ONE** of the following -

- **9.00am - 9.30am**
- **9.30am - 10.00am**
- **10.00am - 10.30am**

On this call, your child's class teacher will be able to explain the work expected for the rest of the day. If you have children in other year groups, you will be able to dial into a different timed session for each child. One of these sessions per day is compulsory.

There is also an optional Google Hangout session that will take place everyday between **1:00pm-2:00pm**. The purpose of this session is to allow yourself or your child to ask any questions they might have about the days learning to their teacher. You do not stay on for the whole hour, you just pop on to ask any questions.

The links to these Google Hangouts will be sent to your email address on Monday morning. You will use the same links to access the hangouts throughout the period of remote learning.

Attached is a weekly timetable for your child's remote learning. This will remain the same for each week until we return to school.

Curriculum choices

English, science and foundation subject learning will involve some new knowledge and skills. This practice is absolutely crucial for your child's long-term success in these subjects.

Some of the learning, specifically mathematics and phonics, will be based on the embedding of previous learning. The reason why we are not introducing new learning content in mathematics and phonics is that these are subjects which really require in-school teaching in order for children to grasp the new knowledge and skills.

Please be assured that robust plans are in place to ensure that the aspects of the curriculum that would have been taught in this time will be learned when children return to school.

Yours sincerely
Mr Erskine
Principal
