Fulbridge Academy

4th February 2021

Dear Parent / Carer,

You have probably heard the Government discussing the potential for schools to re-open from the 8th March. **This date is not definite** and we are not expecting to find out until at least two weeks prior to this. This is because the Government has promised schools two weeks notice in order to re-open safely.

Half term is from Monday 15th February. There will be no home learning or in school education this week. We will return to home learning from Monday 22nd February and in school education for those children who are currently registered.

Thank you for all your hard work with the home learning. We understand this is a challenging time for parents especially if you are working from home. We really appreciate the effort you are all doing to support your children.

Times are very different at the moment, and as a school we know that it is not just your child's school work but also their physical and mental health that are important. Doing some form of exercise each day is very helpful for this. A walk and some fresh air make a huge difference.

Thank you and well done once again, we really miss having the children in school and look forward to their return when it is safe to do so and the Government allows.

Yours sincerely

Mr Erskine
Principal
