Dear Parent/Carer

Reception Nativity

As mentioned in the most recent newsletter, unfortunately due to the current additional Covid-19 restrictions in Peterborough schools and the high covid rates in Peterborough, we are unable to invite parents into school to watch the Reception Nativity performance in December.

We appreciate that this is very disappointing for everyone but sadly it is out of our control. However, we are currently working to record sections of the performance which we will send as a private Youtube link to all reception parents to watch at home. This link will be sent to you via MCAS during the week commencing 6th December.

To confirm again, this will be a private Youtube link that is only available to view if you have this link. However as this will be sent to all families in reception, any children who do not have permission for their photo / video to be used on social media will not be in the recordings.

We would also like to offer each family one free 5 x 7 print photo of your child in the performance which will be sent home with your child on the day the performance is released. There will also be an option to purchase a larger Nativity performance photo via MCAS.

Thank you for your continued support during these difficult times and we hope we can resume performances in the near future.

Yours sincerely

Mr Erskine
Principal
