Year 7 Secondary School Offers

Dear Parents & Carers of Year 6,

Yesterday was the Secondary School offer day for Year 7 places so you should now know which secondary school your child has been offered a place for in September.

Those who applied online, can log onto their account to find the offered school. If you applied by paper, a 2nd class letter was posted out to you yesterday from the local authority so you should receive this today or tomorrow. (Manor Drive Secondary will contact you directly)

If your child's application was received after the 31st October 2021, this is considered a late application and you will receive notification of the school place offered from the 26th April.

YOU MUST CONTACT THE OFFERED SCHOOL TO ACCEPT THE PLACE OFFERED

If you want to appeal the decision, you have the right to do so and must contact Peterborough Council directly about this. We would recommend accepting the place offered while you go through the appeals process as you could then end up without a secondary school place for your child.

You are also able to stay on the waiting list at your preferred school. Please contact that school directly to ensure that your child is kept on this waiting list.

Once you have accepted the secondary school place, they will be in contact with you in due course to organise your child's admission to the school.

The Ladies will always try to help in the office when we can but please contact the secondary school or Peterborough admissions department with any questions or queries.
