Fulbridge Academy

Friday 8th January

Dear Parent/Carer

From Monday 11th January we will start remote learning for your child on Google Classroom. This platform allows your child to submit work to be marked and to ask questions of the teacher throughout the day.

Your child will need to attend a morning Google Hangout session each day and then complete the work on Google Classroom. Please attend the Google Hangout at 9:00am - 9.30am. This session is compulsory.

On this call, your child's class teacher will be able to explain the work expected for the rest of the day. If you have children in other year groups, you will be able to dial into a different timed session for each child.

The link to this Google Hangout will be sent to your email address, and that of your child, on Monday morning. You will use the same link throughout the period of remote learning. After the hangout your child should log into Google Classroom. Videos and work will be added throughout the day according to the timetable below.

Attached is a weekly timetable for your child's remote learning. This will remain the same for each week until we return to school.

### Curriculum choices

English, science and foundation subject learning will involve some new knowledge and skills. This practice is absolutely crucial for your child's long-term success in these subjects.

Some of the learning, specifically mathematics and phonics, will be based on the embedding of previous learning. The reason why we are not introducing new learning content in mathematics and phonics is that these are subjects which really require in-school teaching in order for children to grasp the new knowledge and skills.

Please be assured that robust plans are in place to ensure that the aspects of the curriculum that would have been taught in this time will be learned when children return to school.

Yours sincerely

**Mr Erskine**
