

Earlier this year, The Helen Bath Lodge (Located behind the main school next to the 3G pitch) was transformed into a Community Hub for us to help in supporting the local community of Fulbridge Academy. We offer support to our parents before and after school as well as some classes for parents and children.

Mr Stretch runs drop in sessions at the beginning and the end of the school day (8.30 - 9am & 3-3.30pm (1.35-2.05 on a Friday)) so if you need support with anything such as online applications, family concerns or just need someone to talk to for advice, then he is there to help or signpost you to help in the local area.

We have the following facilities (Subject to availability):

Baby Weighing

Library

Secondhand clothing

Secondhand household items
