Dear parents /carers,

11th September 2023

### Year 6 Transition Meetings

Choosing your child's secondary school is a very important decision that will play a key role in shaping their educational future.

The Secondary School admissions open on 12th September 2023 and must be completed by 31st October 2023. A late application may result in you not getting the place that you want for your child.

We recommend that you carefully consider your choices and utilise the opportunities to visit the secondary schools when they hold their open evenings. Please see the link below about the opening evenings for the secondary schools starting this week.

<https://www.peterborough.gov.uk/residents/schools-and-education/school-admissions/starting-secondary-school-in-year-7>

To help parents, and inform them of the admissions process, we would like to invite parents into the school for a short meeting that should last no more than 30 minutes. Previous Year 6 parents have found this session extremely useful. The meeting will go through how to fill in the application form, catchments, do's and don'ts, other important information you need to know and provide an opportunity for you to ask any questions that you may have.

The meetings will take place on **Thursday 14th September at 8.30am, 3.30pm and 5.15pm**. Please only attend **one** session.

At your preferred date and time, please arrive at the back school gates and make your way to the main school sports hall where you will be welcomed in

Kind regards  
Mr Angier  
Vice Principal
