Fulbridge Academy

25th September 2023

Dear Parent / Carer,

### **Year 6 Revision Books**

Every year as part of our Year 6 SATS preparation we utilise CGP SATs books. We know from past years that these revision books make a big difference to the children's preparation for the tests in May next year.

Your child may have bought them home already as we are starting to use them this week.

Every child in Year 6 will be receiving **one** Maths Arithmetic test book. We are asking for a donation of £3 to help to cover the cost.

Please use the MCAS app to pay for your child's revision book. Go to the products section and select CGP Revision Books to pay and checkout.

In the front of the arithmetic book is a timetable telling them which test/tests they need to complete by which date. Please work with your child on completing these tests at home. The teachers will mark the tests each Friday in class with the children so it is essential that they have the required tests complete.

If your child is struggling and you are unsure how to help them, please get your child to bring their CGP books into school and the teachers will be able to help them at some point during the school day.

In addition to this we, as a school, have purchased Reading SATs books which will be free of charge to your child, however these will stay **in** the classroom.

For any queries, please contact the school office.

Thank you for your continued support.

Mr Angier  
Vice-Principal
