Dear Parent/Carer

I am writing to you to provide some level of guidance with regard to the tragic events that are currently happening in Israel and Palestine. We understand that this may directly affect a number of children and families from our school community. Whilst it is important that as a school we remain impartial, our focus in school is to provide support wherever needed to both children and families.

We have support networks in school that allow children to approach staff if and when they are worried about anything. This message will be reinforced over the coming weeks and months to all children.

If you wish to read, below is a link to an article about talking to your child about war and conflict.

We thank you for your understanding during these very uncertain times and our thoughts are with everyone who is affected.

Yours sincerely,

Ben Erskine
Principal
