Dear Parents/Carers,

Thank you very much to all the parents and carers who were able to attend our parental engagement events over the last week.

We welcomed **461** parents and carers into classrooms over the five days which was absolutely fantastic to see. It was great to see the children wanting to show off all of the great work that they do in their reading lessons and we hope you found the visit useful.

If you weren't able to attend, remember that you can see your child's teacher anytime.

We have our next parental engagement event in the spring term and a date will be released in the new year. This one will have a maths focus and we hope that you can make it.

We welcome any feedback on our parental engagement events so please pass your thoughts onto your child's teacher.

We would really appreciate it if you could click on the link below or scan the QR code for Parent View and leave your feedback about your thoughts on Fulbridge Academy.
