## PIXAR CLASS UPDATE

Dear Parent/Carer,

To continue to provide the best possible learning environment for all of the children we have decided to move Pixar Class into Disney Classroom, just across the corridor, from when we return after Easter on Wednesday 17th April.

We have made this decision so that all of the reception and Year 1 classrooms are next to each other meaning we can further develop our outside learning spaces for the children, an important part of the children's development.

Disney is next to Universal classroom on the left side of the building, it is yellow in colour.

Your child's classroom name will change to Disney but the teaching staff, routines, classroom environment, furniture and learning will remain the same as it was in Pixar classroom.

When we return from Easter there will be lots of staff around to help you. The children will visit the classroom before they go on their Easter break.

If you have any questions about this please do contact the office or your class teacher and we will happily help.

Thank you for your ongoing support and have a wonderful Easter break.

Kind Regards,  
Mr L Angier  
Vice Principal
