

A message from Mr Erskine and Mr Smee

Another term down and one more to go!

We have been really pleased with what we have achieved this term. We have had very successful trips across several years groups over the next few pages you will see some great photos of these trips. The children all had fun and behaved themselves too!

We are holding our HAF holiday club again this Easter and are looking forward to seeing the children who have booked places.

After Easter we are looking forward to hosting more parental engagement events where you have the opportunity to come into school to join your child in a lesson and find out a little more about the way the children learn. More details on this will follow when we return to school. We look forward to seeing lots of you there.

As you all know, the school was inspected by Ofsted on Tuesday 19th and Wednesday 20th March. We now await the official report which we expect to be released in the summer term. We are pleased with how the visit went and proud of all we have achieved as a school over many years.

I wish you all a lovely Easter break and look forward to seeing everyone in the Summer term. Term starts on Wednesday 17th April.

Sporting Achievement:

Netball Tournament 19th March 2024

A group of children in Year 6 took part in a Netball tournament at Arthur Mellows Village College.

One of the members of the team said:
"We played six matches and came 4th overall out of 15 teams. I think we played well as a team but some teams were harder to defend than others."

What a great achievement, well done.
